The San Francisco Zine Fest welcomes all zine-makers, cartoonists, self-publishers, and all sorts of other DIY crafters. The majority of items for sale at your table should be handmade (with the exception of commercially-printed publications).

You may return this form via email or regular post to one of the addresses listed below. Please pay all fees by check or money order prior to the festival. Registration forms for full tables postmarked after June 15 will be subjected to the full payment amount listed at right.

IMPORTANT: Either a temporary or permanent California seller's permit is required in order to sell items at this event. This is a simple and straightforward process. For more info, please visit: <http://www.boe.ca.gov/info/reg.htm>
